

KLE'S P.C. Jabin Science College Hubballi, Autonomous
Under UBA
Report

24th March 2020

Awareness on precautions regd Corona Virus spreading.

Youth Red cross unit of P.C. Jabin Science College has taken a step forward to create Awareness regarding precautions to be followed to stop coronavirus spreading on 24th March 2020 through social networks.

A note was prepared requesting all students and staff of Jabin College to join hands to fight against Corona Virus by staying at home, not to be guest to anybody or not to invite any guest, to wash hands regularly and to gurgle warm water with salt in the morning and before sleeping.

This was done with intention to create awareness.

All students and staff were requested to spread this message as much as possible.
