MISSION ON TEACHERS AND TEACHING
MINISTRY OF EDUCATION**

RAMANUJAN COLLEGE

Ramanujan College is a constituent College of the University of Delhi (DU). It is inspired by the life and work of Srinivasa Aiyangar Ramanujan, one of the world's greatest mathematicians. The College has been accredited Grade "A++" by the National Assessment and Accreditation Council (NAAC) in its Second Cycle. At present, it offers sixteen undergraduate programmes in different disciplines. In pursuit of its vision: "Discover, Empower, Transform: Building A Better World", Ramanujan College is today perceived as one of the best colleges in the country.

TEACHING LEARNING CENTRE

The Teaching Learning Centre was awarded to Ramanujan College in 2017 by the Ministry of Education, under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) scheme. It has been set up with the aim of "Reaching the Unreached" teachers in terms of regional diversity and geographically remote areas of the country. It has successfully conducted more than hundred learner-centric programmes since October 2017 and trained over one lakh teachers across the country in various discipline specific and interdisciplinary programmes. These courses are offered through the Learning Management System (LMS) designed by the Research Development and Services Cell of the College and follows the four-quadrant approach prescribed by the Ministry of Education.

P.C. JABIN SCIENCE COLLEGE

The K.L.E. Society's P.C. Jabin Science College was established in the year 1957 by the philanthropic donations of Smt. Channamma Parappa Jabin, for imparting basic science education and nurturing the wonders of science. The college attracts students from all walks of life, irrespective of caste, creed, religion and socio-economic background. It is the first college voluntarily accredited by NAAC in North Karnataka with four stars in 1999, subsequently 'A' grade in the 4th cycle with CGPA of 3.43 in 2017. The campus of the college sprawl out in an area of 8.3 acres of lush green situated adjacent to the National Highway. The college in pursuit of higher excellence started PG courses in Computer Science, Biotechnology, Chemistry, Physics and established research laboratories. Library with digitalization gives access for many scientific journals. College has a language laboratory for developing competency in communication skills. The college offers 25 certificate and value added courses for beyond curriculum learning. The college museums have unique collection of specimens particularly having a life size mounted elephant skeleton which is a star attraction of the college and one of its kinds among the institutions of Asia.

ABOUT THE PROGRAMME

The programme aims to train the participants with the different skills beneficial for academic writing. The Programme will contour these aspects to systematize and thereby facilitate streamlining of the entire writing process. It will equip the participants with the major components involved in writing a dissertation or a research paper. The overall objective of this FDP is to blend the ICT applications in the process of writing to make the process seamless and enjoyable.
