 Reaccredited by NAAC with 'A' Grade  
**Zoology Department**  
**World Ozone day 16<sup>th</sup> September 2021**

On the occasion of World Ozone day 16<sup>th</sup> September 2021 awareness programme was organized by Department of Zoology. Students actively participated in this awareness programme. Our students visited the Govt. Higher Primary School, Sainagar Unkal, Hubballi and Paranavar Govt. High School, Sainagar and created awareness about Ozone layer depletion, preventive measures for depletion of Ozone layer and also the importance of Ozone layer to Plants and Animals which created interest in school students and made them realize the importance of Ozone layer.
